

PARENT PAYMENT ARRANGEMENTS YEAR 8, 2025

Dear Parent/Guardian,

Yarrabing Secondary College is looking forward to our second year of the school and the embedment of the teaching and learning practices with our Year 8 cohort of students. We would like to advise you of Yarrabing Secondary College's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your financial support which ensures that the provision of student wellbeing and support programs, major and minor upgrades to facilities and classroom technology is made available for the benefit and enjoyment of your, and all other, children.

Underlying the success and quality of the wide-ranging academic and co-curricular programs available to meet the diverse needs of our students, is the voluntary financial support from families. Such support ensures we have the materials and facilities to run programs successfully over and above funding sourced by the Department of Education Victoria.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Financial Support for Families

Yarrabing Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

Camps, Sport and Excursion Fund (CSEF)

Parents and guardians, who hold a valid means-tested concession card or are a temporary foster parent, may be eligible for CSEF. This allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child/ren. Please contact the College General Office to apply. The CSEF payment cannot be used towards voluntary school charges, books, stationery, school uniforms, music lessons or other optional items.

State Schools Relief (SSR)

State Schools' Relief is a not-for-profit organisation that works closely with all government schools across Victoria. Each year State Schools' Relief provides assistance to families experiencing financial disadvantage with school uniforms and footwear.

Consideration of Hardship

The College appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. A range of support options are available to assist eligible parents. For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, please contact the College via email yarrabing.sc@education.vic.gov.au
