PURPOSE

To explain to parents/carers:

- how Yarrabing Secondary College collects, uses and discloses photographs, video and recordings of students
- when parent/carer consent is required before photographing, filming and recording students
- how consent can be provided and withdrawn.

CONTEXT STATEMENT

Yarrabing Secondary College was established in 2024 and is located approximately 35 kilometres west of Melbourne. When fully established, the school will have 1200 students enrolled from Grade 7 to 12 and 130 school staff members including Wellbeing staff.

Our school grounds are very close to native bushland, and we are surrounded by a supportive community. Nearly all students that attend our school live locally and tend to walk or ride their bike to school. Yarrabing Secondary College has developed close ties to the local community and enjoys support from our local shops and community services.

Our school is culturally diverse with 60% of students having a language background other than English (LOTE) spoken in the family home, with the largest LOTE languages being Hindi and Punjabi. The school also has very small representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students.

The policy does not cover the:

- use of Closed-Circuit Television (CCTV). The use of CCTV is covered in the department's CCTV in Schools Policy.
- use and disclosure of photographs, video and recordings of adults.

There are many occasions during the school year where Yarrabing Secondary College staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps etc.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Yarrabing Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the college at yarrabing.sc@education.vic.gov.au . If consent is withdrawn verbally, the school will make a written record of this. However:
